

Note On Registration & Camping Fees:

Your registration fees help pay for the costs associated with the fly-in including security, emergency services, rental equipment, and insurance amongst many expenses.

The registration fees charged for all attendees is predicated on attendance of the entire event, since most of the fly-in costs are constant for the event regardless of length of time a particular guest stays.

While we prefer payment via cash or check, Visa, Mastercard, Discover & American Express accepted.

CAMPING & RV INFORMATION

Tent camping under the wing of your aircraft is permissible, but please note, it must not overlap another aircrafts parking area, or extend into the taxiway.

No vehicle parking allowed in any aircraft parking areas or taxiways.

All RV and camping units must register at the AAA headquarters office. **No camping units will be allowed access prior to registration.**

RV AREA: All travel trailers, 5th wheel trailers, toy haulers, Class A, B & C type RV's over 22" will be required to use the RV area on the South end of the airport.

Adjacent to the S. campground it has good access and even terrain for easy parking. This area is close to the south shower house. While no electrical hookups are available, it is acceptable to operate a generator in this area. Please make certain your generator is properly muffled, quiet running, and shut them down after 10:30pm.

Access is via the driveway on the East side of the runway behind the APM & Flymarket.

Camping with electrical hookups, shower-house, dump station etc. is available in nearby Ottumwa at the Ottumwa Park Campgrounds. Call 641-682-1307 for more information.

HANDICAPPED PARKING

It is our policy to make every effort to assist those with handicaps or health problems to park in the areas close to AAA headquarters or the APM. It would help us help you in this regard if you write/call us in advance for the required car permit. You may request one from the registration office upon arrival; however, space is very limited and a permit is not assured in that case.

AIRCRAFT FUEL SERVICES

APM Director Shane Vande Voort and his crew from Classic Aviation in Pella, IA will provide fuel (100LL) service at Antique Airfield during the Aerobatic Contest. The fuel truck will be parked east of Hangar #1 (furthest building to the east) and you will have to taxi your aircraft to the truck for fuel during the following hours of operation:

Fri June 25th - 12 pm to 7 pm

Sat June 26th - 8 am to 7 pm

Sun June 27th - 8 am to 12 pm

FOOD & DRINK

Fri & Sat (Breakfast & Lunch) provided by Grandpa's Chuckwagon, with ice cream treats provided by Polar Xpress

The Sat night awards banquet will be a custom BBQ prepared by AAA member/volunteer Josh Trail. Cost will be \$12 a plate with proceeds going to the APM. Pie/ice cream will be provided by the Blakesburg Historical Society with donations going to their programs.

The Pilots Pub

Nightly 6pm to midnight,

Fri (June 25th) - Sat. (June 26th)

Hosted by the Nebraska AAA

APM Gift Shop

Holly Vanorny & Jessica Fryer look forward to hosting the APM Gift Shop for the event. Located just inside the Museum entrance, the store will be open daily during the fly-in for fly-in T-shirts, mugs, patches etc. _

8am - 5pm Fri (June 25th) and Sat. (June 26th).

Cash, check, Visa, Mastercard, Discover accepted
